

MASSACHUSETTS 24 HOUR PHARMACIES THAT STOCK ELLA

(last updated February 2022)

Where can your patients get a prescription for Ella (ulipristal acetate) emergency contraception filled any time of day?

This resource lists the retail pharmacies in Massachusetts, all open 24 hours/day, that typically stock Ella. Supply may vary by day, so it is best practice to call ahead to ensure stock. Not included on this list are hospital/clinic-based pharmacies and non-24 hours/day retail pharmacies, many of which also stock Ella.

Address	Pharmacy	Phone Number	If Ella is out of stock, how long will it take to come in once ordered? <i>Ella is equally effective within 120 hours of sex. It may be okay to wait for it to come in stock depending on when the prescription is ordered</i>
